**IMAGINE  
ROTARY**

# SERVICE ABOVE SELF

My name is Sharon C. Newman, President and fundraising Chair of Rotary Club of the Southland. We are a young club of entrepreneurs, passionate about giving back to our community and having fun while doing so. Rotary International has several initiatives to help us focus abroad and closer to home. By "Building Relationships", "Improving Lives", "Creating a Better World", "Supporting Peace Efforts and Ending Polio Forever", Rotarians are "People of Action"! Join us and "Make Help Happen".

Rotary International District 6450 is known as the first service organization. Rotary International has over 1.3 million members worldwide and has spent \$3 billion on sustainable projects across the globe over the last 100 years. It is our aim to continue service in our community; because for us service projects are the mechanism by which we make a difference. To that end, Rotary Club of the Southland is hosting its first "Service Above Self" Dinner and Awards Gala.

Please accept our invitation to participate in our "Service Above Self" Fundraiser by purchasing one of our sponsorship packages. Each package offers an opportunity to increase your visibility and create a stronger connection within the community. We are expecting over 250 guests. The demographics for this event are African-Americans, ages 45-70, home owners, 60% female, 35% male, 5% other. We know how important it is for businesses to increase awareness in the community. This event will allow you to create momentum, and help build credibility.

Thank you in advance for your purchase and support.

Sincerely,  
Sharon C. Newman  
President 2022-2023  
Fundraising Committee Chair  
Gwendolyn McMiller | Randy Alexander | Shirley Brockington
